MARGARET CALLIHAN

BENNIE DAVIS

MARJORIE PERRY

We the students of Oregon City High School hereby dedicate the 1960 Hesperian to three outstanding teachers: Miss Callihan, Miss Davis, and Miss Perry.

Because of their friendly and understanding attitude, they have accomplished much in leading and inspiring their students. Each has shown a real desire to be helpful in every way and has given unstintingly of time and effort toward furthering club and social activities. For many years Miss Callihan has been advisor of the International Relations Club and Miss Perry of Future Teachers. Each Spring Miss Davis has assumed the big responsibility of overseeing and advising the Junior and Senior Prom.

As the seniors enter into their various careers they will recall with appreciation the ideals and principles set forth by daily contact with these members of the faculty.

STUDENT COUNCIL

PRESIDENT BOB McGEE

VICE-PRESIDENT
TONY COSTA

This year's Student Council consisted of ten members. They included Student Body President and Vice-President, Inter-Club Council President, Hesperian Editor and Manager, and Elevator Editor and Manager. All these were chosen from the senior class. Also included were Boys' and Girls' Representatives from the junior class, and Student Body Secretary from the sophomore class. The council has been very successful this year in promoting greater cooperation among students, faculty, and administration. We feel that the Student Council has played a larger role in developing student self-government in our school.

HAIL TO THEE,

WE PLEDGE TO GIVE THEE,
EVER TO BE TRUE
HAIL TO THEE,
DEAR ALMA MATER
OC
HERE'S
TO
YOU

When I first came to this country, I had never expected to find such wonderful friends in Oregon City. Before school started I was already eager to meet the students and the faculty, but I was frightened that you would consider me a stranger or an outsider. Soon I realized that I was mistaken. You have accepted me as a friend and for this I am most grateful to all.

This year in Oregon City has been one of my most wonderful and unforgettable years. You students have made me feel completely at home in Oregon City.

Now the year is over and I have to return to my country. The time has come to say good-bye. To some of you it may be my last farewell, but I hope to meet all of you again in the future. If one day you are able to visit Indonesia, I know that my friends and my people will welcome you.

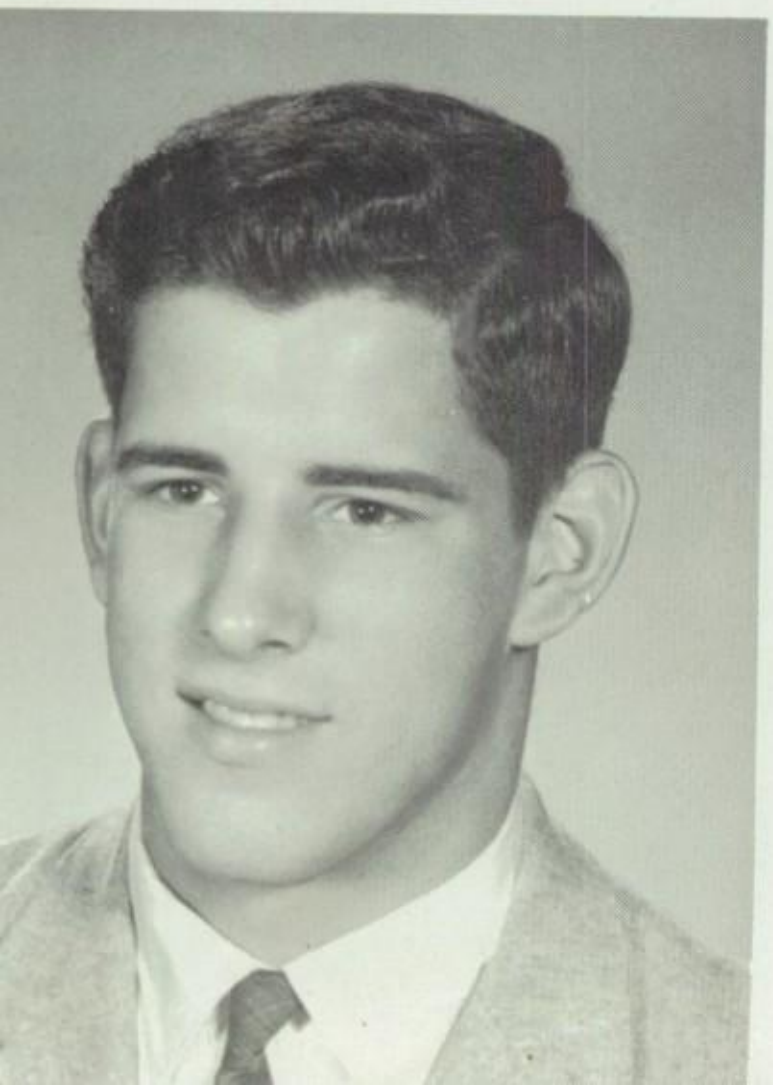
God bless you . . . Selamat tinggal (farewell)

ERNANDO RACHMAT

Best wishes and tell me next again!!

FOREIGN EXCHANGE STUDENTS

BILL SERRES



In the weeks preceding my trip to the Netherlands, I felt very uncertain about my adjustment to a strange country and new customs. After living with my Dutch family for a few days, I found that there were no grounds for these fears.

Although my acquaintances in Holland do have many strange customs, they basically think and act the same as Americans. Their friendliness and interest in our way of life particularly impressed me. The Dutch teenagers are quick to pick up American fads, and they take a special interest in American jazz.

During the past year, I have enjoyed telling you about my summer's experiences. On behalf of my Dutch friends and family, I thank you, the student body and faculty, for your cooperation and participation in the exchange student program.

Always,

Bill Serres

The basketball squad coached by Frank Good had a very hard season this year. The law of averages seemed to be against them.

Near the end of the season the change of tactics by intermixing the teams boosted the teams morale and increased support.

So long Dave!
I know it's just breakin'
your heart to know that
I'm leaving you this year.
But it hurts good, don't it?
I think we had a lot of fun in S.B.
this year although I don't think either
one of us learned anything. Watch all
those beautiful blondes that you
summer, they get you into a lot of trouble!

Best O' Lucks
Your friend (and mine)

It's been a lot of fun being in school with you this year.
Good Luck next year!
